University Relations

Who can apply?

To be eligible you must be:

- A student currently enrolled in full-time undergraduate study within Europe;

- A citizen, permanent resident or international student;

- Currently studying Computer Science, Computer Engineering or a closely related technical field.

Your chance to achieve with the Cisco MORETOGETHER prize

Cisco employees don't just come from different countries, they come from different backgrounds, different genders, different ages, ethnicities and abilities. What makes Cisco unique is not just our diversity, but the inclusive way we come together to innovate, collaborate and find new solutions. It's about achieving MoreTogether.

Our commitment to achieving MoreTogether makes Cisco a better company, a better global competitor and a better corporate citizen. By fully embracing the human network in all its multiplicity, we foster innovation and talent in the workplace and engage more effectively with our customers and partners in the worldwide marketplace.

Each of seven countries in Cisco's European network is offering eligible computing and technology students the chance to win a fully paid summer internship with Cisco's innovation consulting engineering teams. The Cisco MoreTogether Prize is a Technology Award that recognizes and rewards deserving students in Computer Science and inspires them to become active participants and leaders in creating technology.

The Cisco MoreTogether Prize must be one of the best launchpads for a career in creating technology!

Here's how to apply

We'd like to find about you, your ideas and your abilities. So please send in the following:

- A personal video: no longer than 60 seconds, telling us why you would like to win The Cisco MoreTogether Prize

- Brief written answers in English to the following questions:

  – What are, in your opinion, the key obstacles to wide-spread adoption of IPv6, and when will they be overcome?

  – Describe the social semantic web.

  – What is the workplace going to look like in ten years?

  – What does 'MoreTogether' mean to you?

- An up-to-date CV in English to include:

  Name. Email. Address. Country. Phone numbers. Degree being studied. University you are attending. Your expected graduation date. Your availability during the summer 2010 for the internship i.e. 1st June > 30th September.

- Specify which office would be your placement preference:

  UK, Netherlands, France, Germany, Spain, Italy, Norway.

Prizes will be awarded to students who demonstrate the best mix of skills, qualifications, aptitude and attitude for the internships.

Email your application to: **euciscoprize@external.cisco.com**

What happens next?

All applicants will be notified if they have been short-listed by 11 June. If you are short-listed, you will then have a brief phone interview with representatives from the Cisco MoreTogether Prize Committee. Award winners will be notified by 2 July.

Deadline

You must email your application to the address below us by

21 May 2010
